Australian Business Number (ABN) 38 617 870 836

Australian Financial Services Licence (AFSL) 497949

## Important information

---

**This Financial Services Guide (FSG) is designed to clarify who we are and what we do, and help you decide whether to use our services.**

The purpose and content of this guide:

- To assist you to determine whether to use any of the services described
- Details of how we and our associations are remunerated for our services
- How we resolve disputes, and what you should do if you have one
- How we protect your privacy and handle your personal information

### **Other documents you may receive**

In addition to this FSG, when we provide you financial advice, we will also present you with a written Statement of Advice (SOA).

This will describe:

- Advice and strategies we recommend and the reasons why
- The financial products and services we recommend and the reasons why
- Any fees or commissions we will receive; and
- Any associations we have with financial product providers or other parties that have not already been disclosed in this FSG

If you receive further financial advice from us, we will present you with either another SOA or keep our own written Record of Advice (ROA). You can request a copy of this by contacting

us any time up to seven years from the date of the advice provided. Please refer to the 'Contact Us' section of this FSG for our contact details.

### **Giving us instructions**

If you want to make any changes to the advice or provide other instructions, please contact us. You may provide instructions to Sherrin Partners Services Pty Ltd or your adviser by email, fax, letter, or telephone. In some instances, we can only accept instructions in writing; if this is the case, we'll let you know.

### **Lack of Independence Disclosure Notice**

We can't call ourselves independent. Here's why.

The law makes it very difficult for most advisers to say they are independent, unbiased, or impartial, even if they are not in any way linked to a financial product provider (like a bank).

If, for example, an adviser gets paid a commission to help a client arrange some insurance they are automatically prohibited from calling themselves independent. Most advisers who receive those commissions charge their clients very little (if anything) for the advice or the help they provide putting a policy into place. From time to time we receive these commissions.

So, although we always put your interests before ours when giving advice we cannot (by law) call ourselves independent, unbiased, or impartial.

## Payments and the benefits we receive

---

### How advisers are paid

As the licensee, Sherrin Partners collects all advice fees and commissions.

Sherrin Partners pays advisers the fees and commissions it receives, by one or more of the methods outlined below.

- **Salary** – advisers may be paid a salary based on experience and capability
- **Bonus** – advisers may be eligible to receive a bonus, based on a combination of revenue and certain non-financial measures (such as quality of service)
- **Profits** – advisers may be eligible to receive a percentage of profits from the practice
- **Other** – advisers may also receive other benefits, all of which are outlined in the FSG or will be disclosed in the advice document at the time of providing advice.

At the time of providing advice, advisers will disclose the amounts received as a result of that advice.

### Associations with issuers of financial products

- **Product and service provider sponsorship payments** – Sherrin Partners may receive sponsorship payments from product and service providers to fund technical and professional development training for our advisers
- **Other payments** – We keep a full register of any benefits received by advisers of between \$100 - \$300. In addition, Sherrin Partners keeps a register of any other non-monetary benefits your adviser may receive in relation to education, training, technology support or software that is relevant to the position of financial advice. If you would like a copy of either register, please ask your adviser and one will be made available to you.

## Client fee, payment options and compensation arrangements

---

Before providing advice, your adviser will agree the fees and payment options with you. The fee you pay will depend on the complexity of your circumstances and the services you require.

Your options to pay for our services can include fee for service, commission, or a combination of both.

### **Fee for service**

Fee for service is based on the service we provide. This fee can be determined by:

- An hourly rate
- A fixed dollar amount
- A percentage of funds invested (excluding borrowed funds)
- A combination of these methods

We can invoice you directly for our fee for service. Alternatively, some products allow an adviser service fee to be deducted from the balance of your investment.

### **Commissions**

Depending on the product recommended, you may be able to pay for our service by way of commissions paid from the issuer of that product. The

amount of commission payable from a product depends on the type of product and the amount invested or premium paid.

In the event that you agree to pay for our service by commissions and you decide not to proceed with our recommendations, or if your insurance policies are cancelled within the first 12 months of acceptance (in which case the insurer claims back the commission paid to us), we may invoice you directly for the cost of our service.

### **Compensation arrangements**

We believe that we have put in place compensation arrangements (via maintenance of professional indemnity insurance and adequate financial provision for any policy excess) that are adequate having regard to the size, nature and complexity of our business. We believe that these arrangements are sufficient for the purpose of meeting our compliance obligations under section 912B of the Corporations Act.
